

Young Lion Brewing is proud to be part of the Finger Lakes region and to serve our community in New York State through commerce, volunteerism, events, and activities.

As we approach our one-year anniversary we have been receiving an increasing volume of requests for donations. We have set up the following form for people or groups to request donations of any kind (beer, gift cards, merchandise, etc.). As a small business, we are unable to fulfill all requests submitted but they all will be considered. As a guideline, we have established the following requirements which must be met for consideration.

- The group, organization, or event must be in New York State. Preference will be given to those businesses inside the Finger Lakes / Rochester NY Region.
- We welcome requests from any group or organization, however, preference will be given to 501(c) organizations.
- All requests must be made at least two months prior to the event. Any request submitted closer to the event will be considered but may be declined.
- Applicants are permitted to request donations once per 12-month period. Multiple donation requests will be considered but may be declined.
- All donations must be picked up at Young Lion Brewing, 24 Lakeshore Drive, Canandaigua, NY 14424 between 9 a.m. and 5 p.m. so that appropriate manager can be informed and handle the donation.
- Any donations which include a keg will require a \$75 keg deposit. Any donation which involves a hand tap will require a \$25 tap deposit. These deposits are 100% non-negotiable. Deposits can be in the form of cash or credit card and will be returned in full upon the safe return of the keg and/or tap.
- We reserve the right to deny any donation request, and a successful donation request one year does not guarantee the same success year after year.

Once your application has been submitted it will be reviewed by the Donation Committee and we will do our best to respond in a timely manner.
